

**Home
Construction
Regulatory
Authority**

The Home Construction Regulatory Authority (HCRA) regulates Ontario's new home builders and vendors under the *New Home Construction Licensing Act, 2017* (NHCLA), mandated to promote and protect the public interest. Our mission is to be a fair, effective, and proactive regulator of home builders and vendors that ensures a positive consumer experience. To learn more, please visit www.hcraontario.ca

Licensing Analysts

The HCRA is seeking a high-performing professional who thrives in a fast-paced, high-profile environment to fill the role of **Licensing Analyst**. Reporting to the Manager, Licensing you will:

- review and assess licence and licence renewal applications making recommendations for approvals, in accordance with HCRA's licensing criteria and operational policy under the *New Home Construction Licensing Act, 2017*;
- process licensing fees, reconcile revenues related to licensing and maintaining the builder directory platform;
- respond to escalated licensing inquiries from the Customer Service Coordinators providing technical information and guidance on requirements;
- participate in the analysis and development of licensing processes, guidelines, tools and forms, consumer and public education materials to support continuous improvement and the development/implementation of any licensing program related changes or enhancements;
- gather facts, provide technical information and recommend the outcome for licensing and renewal applications;

Successful candidates will demonstrate the following:

- ✓ A minimum of two years of progressive experience performing licensing administration duties, preferably in a regulatory environment
- ✓ Completion of a postsecondary degree or diploma in social sciences, business or public administration (or a related field or combination of equivalent education, training and experience)
- ✓ Knowledge of relevant legislation and regulations such as *New Home Construction Licensing Act, 2017* is an asset
- ✓ Ability to interpret and apply legislation, policies and other information sources to assess licensing applications
- ✓ Strong interpersonal and client service abilities to facilitate interaction to effectively resolve issues related to license applications and renewals.
- ✓ Strong verbal and written communication skills with the ability to clearly and concisely communicate recommendations and/or information to internal partners and external applicants
- ✓ Proven initiative and strong organizational / time management skills to manage workload
- ✓ Political acuity to recognize and respond in a timely manner to queries and issues stemming from applications which may have an impact for the organization, CEO/Registrar, Deputy Registrar and external stakeholders.
- ✓ Proficiency in developing professional relationships with internal and external stakeholders where formal authority may not exist.
